

MODEL JC-54

One of the "new breed of Indian"

*"A 50 cc competition bike that has no equal.
Years ahead of anything in its class and the next step
up in class."*

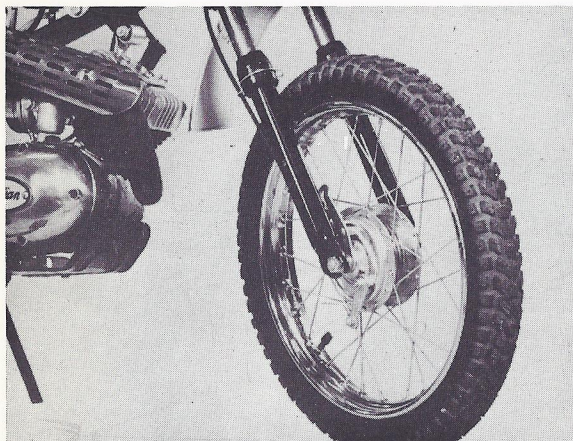

**4-SPEED
JUNIOR CROSS**

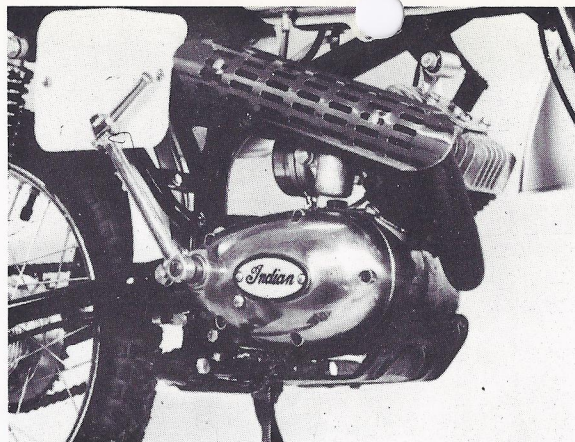

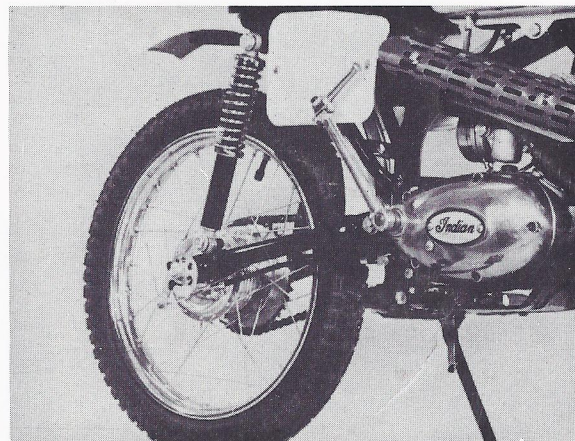

This 11 year old racer is in the process of winning another 1st place trophy on his "Little Red Indian." Strictly stock, this 4-speed 50 cc is gaining fame on the track as well as on the trail.

14-inch wheels for maximum rider safety and control. Not available on other mini-bikes in the same class.

Uncomparable single cylinder 3.9 hp 50 cc engine. 4-speed constant mesh transmission geared for perfect blend of power and speed.

Rear swing arm suspension with shock absorber for safety and comfort. Front telescopic, spring dampened forks. Internal expanding front and rear brakes to make sure stops every time.
